a. The fees and inclusions apply to online modes only. Payment is in Australian Dollars (AUD). No tax applies if you live outside Australia, however a tax/import fee may apply to the value of your printed books upon their arrival in your country. A 30% discount applies to groups of 40 attendees and a livestream is included as part of the fee in your time zone.

b. Additional access may be granted on written request depending on your needs and circumstances. Further access can be purchased at 50% off the program fee if the program is not completed within a reasonable time, or within 12 months.

c. Please note CME/CPD/CPE/CE hours for online homestudy programs vary internationally by profession. The stated number of hours has been applied for mental health professionals in Australia and New Zealand since 2014. Please ensure your professional licensing/certification board approves online learning for your professional development/ continuing education before you register for this program, as refunds are not available after printed materials have been dispatched.
